### Location:

Cuesta College  
Main Campus

**Cuesta College and SLO Green Build** are proud to announce the San Luis Obispo Home Performance Training Program (HPTP) as an opportunity for local building contractors and professionals. Starting September 12th, this 7 week course will take place on Monday and Wednesday nights at the Cuesta College main campus and 3-4 weekend days at various homes around SLO County. At the end of the HPTP participants will take a field and written exam for their Building Performance Institute (BPI) Building Analyst certification. Participants will also have the opportunity to receive training in EnergyPro modeling software.

Current rebates of up to \$4,000 are now available to homeowners through the Energy Upgrade California program who invest in energy retrofits with a contractor whom is BPI certified. For more information about these rebates please see [www.energyupgradecalifornia.org](http://www.energyupgradecalifornia.org)

This is the lowest cost this class has been presented in our area. **Class is limited to 15 students** so register early. SLO County contractors have priority. For more information contact: [admin@slogreenbuild.org](mailto:admin@slogreenbuild.org) or go to [www.slogreenbuild.org](http://www.slogreenbuild.org) for detailed calendar to apply.

Funding for the SLO-Home Performance Training Program is provided in part by the American Recovery and Re-Investment Act of 2009.
